CONTACT INFORMATION

ABOUT US

Magnus Group takes pride to announce **4th Edition of International Vaccines Congress** Management Congress-Hybrid Event during **October 24-26, 2024** at **Baltimore, Maryland, USA**. IVC 2024 includes numerous interactive sessions specifically designed for highly acclaimed educational activity which has been considered one of the predominant meetings on vaccine management. **IVC 2024** creates real networking with scientists and researchers from research institutes, companies and laboratories. The conference runs on the theme **“SAVED: Spearheading Advancements in Vaccine Evolution and Development”**

HYBRID EVENT: You can participate in person at **Baltimore, Maryland, USA** or Virtually from your home or work.

A good conference forces you to grow and gives you new challenges. Meet established peers and make new connections around the world which is a great opportunity to network. Your chance of learning new skills and updates in Vaccines and vaccine development greatly improves when you are sharing the same space as eminent experts, professors and business partners.

GLIMPSES OF PAST CONFERENCE

PAST CONFERENCE TESTIMONIALS

“ **Stanislaw Dzwigaj**
Sorbonne Universités, France

I appreciate the conferences organized by Magnus Groups so this is reason why I participate in all previous editions of Catalysis and Chemical Science in Las Vegas, 2017, Rome 2018 and Singapore 2019.

“ **Dionysios (Dion) D. Dionysiou**
University of Cincinnati, USA

The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great

“ **Mohamed El-far**
Mansoura University, Egypt

Greetings and thanks to you. You done very well and we have had excellent success.

“ **Kenichi Komura**
Gifu University, Japan

I learned a lot from the meeting. I enjoyed the Conference and visiting at Las Vegas.

“ **Quang Nguyen Tran**
École Nationale Supérieure de Chimie de Montpellier, France

Thank you for organizing the last conference in Singapore, it was memorable event for me. I will consider the next one in USA also..

“ **Mykyta Tretiako**
King Abdullah University of science and technology, Saudi Arabia

I would like to raise my compliments for organization of Congress. It was a great opportunity to meet & learn from variety of professionals around the Globe.

“ **P. Hemachandra Reddy**
Texas Tech University Health Sciences, USA

It is a great pleasure and honor to attend INBC, the event has a good collection of top researchers around the globe.

“ **Svyatoslav Medvedev**
N.P.Bechtereva Institute of the Human Brain of the Russian Academy of Sciences, Russian Federation

Its my second time to attend INBC, it is very interesting.
